

BONVILLE IS AUSTRALIA'S BEST

Bonville hosting 700 people on the 14th fairway for a 3 course dinner

Bonville International Golf Resort is the toast of the Australian Catering Industry after claiming 2 awards on offer at the National Restaurant & Catering Associations Awards for Excellence held on Monday night at the Adelaide Convention Centre. The Awards bring together the successful Winners of each category from all States & territories. Bonville's awards were:

Event Caterer of the Year

Wedding Caterer of the Year

Widely known as the States leading Golf Resort, the above 2 awards highlight Bonville as Australia's best catering venue for weddings, corporate events & special occasions.

General Manager Brad Daymond said that "These awards highlight the significance of Bonville Golf Resort Australia wide. The awards will add to the reputation of the Coffs Coast nationally. We are all truly ecstatic with the news that we are Australia's best Wedding Caterer's & Event Caterer's, matched with Bonville widely known as Australia's most beautiful golf course this announcement shows there truly is no better place to hold an event in Australia!. (This is the 1st time a Restaurant or Catering business on the Coffs Coast has ever one award, let alone 2 in one year at this level). It's the best recognition for all the hard work and dedication that our food & beverage team apply to each function and event throughout the year.

The announcement comes at the end of Bonville's Biggest week in its 16 year history after hosting 700 people for a 3 course dinner in the middle of the golf course for the Local Government Association Gala Dinner (above image) then 3 days later hosting the 2007 Coffs Coast Food & Wine Festival 7 course Degustation Dinner for over 130 people.

This takes Bonville's 2007 tally to a total of 9 Plates/Awards from the Restaurant & Catering Association Awards for Excellence from the Northern Region, NSW Regional & National Award presentation evenings – the most of any Restaurant or Caterer in the Country.
