ETIQUETTE OF GOLF

(Based on Section 1 of the Rules of Golf)

COURTESY ON THE COURSE

Consideration for Other Players

In the interest of all, players should play without delay. No player should play until the players in front are out of range. Players searching for a ball should signal the players behind them to pass as soon as it becomes apparent that the ball will not be easily found. They should not search for five minutes before doing so. They should not continue play until the players following them have passed and are out of range. When the play of a hole has been completed, players should immediately leave the putting green.

Behaviour During Play

No one should move, talk or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.

PRIORITY ON THE COURSE

In the absence of special rules, two ball matches should have precedence of and be entitled to pass any three or four ball match. Any match playing a whole round is entitled to pass a match playing a shorter round. If a match fails to keep its place on the course and loses more than one clear hole on the players in front, it should allow the match following to pass.

CARE OF THE COURSE

Holes in Bunkers

Before leaving a bunker, a player should carefully fill up and smooth over all holes and footprints made by him.

Restore Divots, Repair Ball-marks and Damage by Spikes

Through the green, a player should ensure that any turf cut or displaced by him is replaced at once and pressed down, and that any damage to the putting green made by the ball is carefully repaired. Damage to the putting green caused by golf shoe spikes should be repaired on completion of the hole.

Damage to Greens - Flagstick, Bags, etc

Players should ensure that, when putting down the flagstick, no damage is done to the putting green and that neither they nor their caddies damage the hole by standing close to it, in handling the flagstick or in

removing the ball from the hole. The flagstick should be properly replaced in the hole before the players leave the putting green.

Golf Carts

Local notices regulating the movement of golf carts should be strictly observed.

Golf carts must not be taken within 10m of any green.

Damage Through Practice Swings

In taking practice swings, players should avoid causing damage to the course, particularly the tees, by removing divots.

EVENT DESCRIPTIONS

SIXES

A teams event, played in teams of 4.

Team of 4

1st 6 holes The best 2 scores are taken.

2nd 6 holes The best 3 scores are taken.

3rd 6 holes All scores are taken.

If only 3 players available

1st 6 holes The best 2 scores are taken.

2nd 6 holes All 3 scores are taken.

3rd 6 holes All 3 scores are taken plus 2 pts/hole for 4th player.

AMERICAN FOURSOMES

Both players play tee shots at each hole, then play a second shot with their partner's ball. One ball is then selected with THE OWNER of the ball selected playing the 3rd stroke, then alternate shot thereafter.

AMBROSE

The lowest marker captains the team and decides how the hole is to be played. The graded order of play must be maintained from tee to green. The captain selects the best ball to play then all players play from within one club length of that ball, no nearer the hole and in a similar lie. If play is from a bunker, all other balls are PLACED in a similar lie within 30cm, no nearer the hole. On the green all players putt from within one putter head of the selected ball, no nearer the hole.

HANDICAP MATCH PLAY

Handicap strokes given are determined by handicap of the day, utilising the match play index. If match is all square after completion of the round, handicap strokes recommence as in the completed round. 9
