

# BONVILLE GOLF RESORT LEADING THE AUSTRALIAN GOLF INDUSTRY

Bonville Golf Resort achieved what every golf resort in Australia strives to be, the leader in their field. For the 2<sup>nd</sup> time the resort has been voted “Australia’s Leading Golf Resort” at the 2011 Asia & Australasia World Travel Awards Presentation Ceremony in late September. Often likened to Augusta National in the U.S.A, the Resort took the honours over some tough competition including former Winners - Hyatt Coolum Resort on QLD’s Sunshine Coast, Hyatt Sanctuary Cove on the Gold Coast & Joondalup Resort in Western Australia along with strong NSW competition from Magenta Shores on the Central Coast.

Bonville picked up this title in 2006 and is delighted to now be a 2 time winner and again recognised as the Leader in the Australian Golf Resort sector. Bonville’s General Manager, Brad Daymond commented that “This title as Australia’s Leader reflects the ongoing improvements to the overall ‘Bonville Experience’ members & guests receive. The past year has seen our Course Superintendent Chris Neal and his energetic team working tirelessly on increasing the level of daily presentation, overall consistency and general conditioning of the golf course, along with Food & Beverage, Housekeeping & Proshop areas improving this ‘Experience’ guests receive on their Bonville & Coffs Coast visit.

The World Travel Awards are the biggest night the Travel & Tourism industry has to offer and are referred to as the ‘Oscars’ of the Industry, which they certainly lived up to be by the glamour & hype at this year Awards Presentation in Thailand’s Capital, Bangkok. Voting for the Awards are cast by travel agents in over 200 countries around the world from which Regional and Geographical categories are broken down from the overall world category.

Bonville is gearing up for a wonderful summer season which will see the resort celebrate its 20<sup>th</sup> Birthday in January. The Celebrations will include special Play & Stay deals and great bonuses for players & visitors to “Australasia’s Leading Golf Resort”.
