

Bonville Golf Resort is recognised as one of the world's most beautiful golf courses and consistently voted as the most beautiful in Australia.

We are the only 4 time winner of Australia's Leading Golf Resort by the World Travel Awards and have been voted as 'Australia's Favourite Golf Course' in the Golf Australia Magazine 50 Favourite Golf Courses poll for the last 6 years running.

This, and the fact we are situated halfway between Sydney & Brisbane on the beautiful Coffs Coast, makes Bonville Golf Resort an appealing work location and could be your next career move.

We now have an opportunity available for a fulltime **Qualified Greenkeeper or an experienced Greenkeeping Assistant.**

A current Farm Chemical Users certificate and NSW Drivers Licence is essential. Trade qualifications are preferred but not essential.

Duties will include:

- Prepare and maintain turf surfaces, landscaped areas and surrounds
- Assists in constructions projects
- General mowing duties and maintenance of the golf course
- Operation, maintenance and cleaning of a wide range of specialised turf machinery and equipment in a safe manner and serviceable condition
- Installation, maintenance and repair of irrigation and drainage systems
- Identify and control weeds, pests and turf diseases and/or disorders
- Ensure compliance with all Work, Health and Safety and Work Cover requirements
- Keep work areas and amenities clean at all times
- Undertake other general duties as directed

If you believe you fit the above criteria, please forward your resume to our Course Superintendent at ohs@bonvillegolf.com.au
